Caring About You While Caring For You

Our center does not discriminate on the basis of race, color, sex, age, religion, national origin, sexual orientation, pregnancy, marital status, veteran status or disability.

Dedicated to your care

Thank you for your interest in **Huntingdon Health and Rehabilitation Center**. Our facility is unique in that we provide 24-hour skilled nursing services, comprehensive rehabilitation services, short and long term care, hospice and respite care. We also have a 23-bed secured memory care unit.

Our programs are tailored to meet your specific needs and designed to help restore health, improve function, and increase independence. Many people choose to come stay with us for a short time following an illness, surgery, injury or hospital stay, and return back to the community feeling better and stronger than before! We do have others that choose to come and stay with us long term and enjoy the home-like setting we provide and the specialized services and programs to keep them living life as they desire.

Our goals are simple

Whatever your needs may be, our caring staff is dedicated to your comfort, well-being and peace of mind.
